Reflections ~ Reflexiones:

Gospel: Mathew 24: 37-44

In today's gospel, we are asked to live in the present with an eye toward the future. We are not to be totally absorbed by the usual activities of life. We are to remain open to the coming of the Lord, and be prepared. Here Jesus compares himself to a thief who breaks in when no one is looking! Jesus wants us to be prepared so that we can welcome him, not as a thief, but as our long-awaited Savior!

1.) Sometimes it is hard for us to believe that what we do today matters for tomorrow and, really, for all eternity. Can you think of some examples of the way your actions today will matter for tomorrow and forever? How does what you do today help prepare you and the world for the coming of Christ?

2.) Using our gift of time well is an Advent virtue, an Advent strength. In report cards from the 1950's, a list of strengths that each child was to develop was listed. If there was a problem with a particular one, it was checked by the teacher to bring it to the parent's attention. Some of the strengths were: "Keeps desk and papers neat; shows courteous attention to teacher and students; is reverent during prayers." One we can note today is: "Keeps profitably busy." (Today we might say, "Works independently.") However, anyone can "keep busy." We Advent Christians must "keep PROFITABLY busy." Our busy-ness must count for something, must do good. How will you keep profitably busy during this Advent season?

Evangelo: Mateo 24: 37-44

En esta lectura, Jesús nos habla sobre la necesidad de estar alerta y vigilantes para su venida al final de los tiempos y todos los días. Él se compara con el amo de la casa quien se va a un largo viaje y quien da a cada uno de sus sirvientes una tarea. A ellos se les avisa: "El amo puede llegar de repente y encontrarlos dormidos". Estén alerta. Estén despiertos. Adviento debe ser un tiempo para estar alerta. No debemos estar dormidos frente a los retos diarios que Jesús nos ofrece.

1.) ¿Por qué nos pide estar alerta? ¿Por qué algunas veces podemos dejar pasar la venida de Jesús? Jesús da a cada uno de nosotros un trabajo que hacer en este mundo. ¿Cuál es tu trabajo? ¿Qué tipo de trabajo esperas hacer para él en el futuro?

2.) Identifica tres situaciones en el mundo que sean un reto para vivir el evangelio. ¿Cómo podemos ser gente de Adviento, dispuestos a enfrentar los retos, y atentos a todas las formas en que Jesús llega a nuestras vidas? Haz esta oración. "Ven, Señor Jesús."

Pastor's Message ~ Mensaje del Párroco:

JESUS IS THE REASON

In today's world Christmas starts at Thanksgiving and ends on December 25, but the Church emphasizes this time as Advent, the season of expectation, when we prepare our hearts and lives for the Lord's coming at Christmas. You may already have such customs in your household as an Advent wreath, a Jesse tree, a manger scene, or special devotions. A German tradition called *Kristkindl* ("Christ child") involves a family passing a bowl around with each person taking a rolled-up slip of paper with a family member's name on it. For the rest of Advent that person is your *Kristkindl*, and you do a good deed for them every day, but in secret! Even young children can participate. You prepare to serve Christ by serving your *Kristkindl*: pray for them, save money to send to a good cause in their name, donate gifts to a shelter, do extra chores, adopt a needy family. JESÚS ES LA RAZÓN

En el mundo de hoy la Navidad comienza en el día de Acción de Gracias y termina el 25 de diciembre; pero la Iglesia enfatiza que éste es el tiempo de Adviento, un tiempo de espera mientras preparamos nuestro corazón y nuestra vida para la venida del Señor en la Navidad. Tal vez tu familia tenga ya ciertas costumbres, como la corona de Adviento, el árbol de Jesé, el nacimiento o belén, u otras devociones especiales. Una tradición alemana que se llama *Kristkindl* ("el Niño Jesús") es pasar un recipiente alrededor de la familia reunida y cada persona agarra uno de los papeletos enrollados que se han puesto dentro del mismo con el nombre de un miembro de la familia en cada uno. Durante el resto del Adviento esa persona es el *Kristkindl* de la persona que tiene su nombre y todos los días ésta última debe hacer algo bueno por la otra en secreto! Aun los niños pequeños pueden participar. Te preparas a servir a Cristo sirviendo a tu *Kristkindl*: reza por ellas, ahorra dinero para enviar una donación en su nombre, haz un donativo a algún refugio público, haz tareas extras que no te hayan pedido, adopta una familia necesitada. TREASURES FROM OUR TRADITION:

Before the Second Vatican Council in the mid-1960s, Advent had a strong penitential tone, reminiscent of Lent. From as long ago as the fourth century, some Christians began a solemn fast on St. Martin's Day, November 11. This "Saint Martin's Lent" extended all the way to Christmas, and was widely followed in the dioceses of France and Germany, and in the Middle Ages in England. Fasting was required, and dancing and similar activities were banned for the duration. The fast had a social function, too, assuring that the winter food supplies would stretch into spring.

At the Second Vatican Council, some bishops argued that a revival of the long winter's fast would give the Church a chance to establish the message and themes of the Incarnation long before the holiday hubbub took hold. This proposal didn't pass, and Advent emerged as a four-week period of reflection, expectant waiting, and joyful preparation for the coming of the Lord. The season has two principal phases, with the first beginning this Sunday. The second phase commences on December 17, when the liturgy begins to unfold the story of the Savior's coming. Interestingly, the Eastern Church maintains a strongly penitential note in Advent, which is called "Winter Lent," "The Nativity Fast," or "Christmas Lent," and has laws forbidding people to absent themselves from liturgy from December 17 onward.
